About CTI22

- Community Telecast, Inc. (CTI22), [IRS 501 (c)(3)] is the only broadcast cable television company in the metro Omaha area and within 18 states to focus on diversity. For our general operations, which include a diverse broadcast audience of approximately 300,000 viewers, we receive NO tax support from the federal government, State of Nebraska, or local government. We sincerely appreciate a tax-deductible donation of any amount.
- We proudly recognize the diverse achievements of and broadcast more original, Omaha-based programming for African-American, Latino, Native American, Asian, non-minority, and other ethnic groups. Plus, CTI22 broadcasts more original, Omaha-based, religious programming than all other metro area TV stations combined. We broadcast more original programming involving elected officials than all other metro area TV stations combined. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
- CTI22 uniquely provides instant information to and from the diverse minority communities we serve through numerous “live” talk-back programs – programs broadcast throughout metro Omaha, and the Community Calendar, **public-accessible** to all of Omaha!
- We believe it’s a good thing to inform and educate persons, who ultimately wield ownership or control of every facet of American society, about the greater diversity of people living throughout metro Omaha who also share their values and commitment to the community, to family, and economic success!
